**SARVAJANIK COLLEGE OF ENGINEERING &
TECHNOLOGY**

A Report on

(19th – 20th September 2025)

Organized by

**Department of Information Technology &
Artificial Intelligence and Data Science**

Under the banner of

Introduction:

SCET organizes the technical festival 'Kshitij – AnantGyan Ki Talash Mein' annually since 2002. This tech-fest is conducted for the young brains to boost their technical knowledge and showcase their innovative and creative skills. The department of Information Technology & Artificial Intelligence and Data Science organized **Converse 2025** under the banner of Kshitij on 19th and 20th September 2025.

The banner for Converse 2025 is a vibrant purple and blue design. At the top, it features the Sarvajanik University logo on the left, the Saravajanik College Of Engineering & Technology name in the center, and another logo on the right. Below the college name, it states 'Department Of Information Technology & Artificial Intelligence And Data Science'. The central part of the banner is filled with various competition logos including IT&AI QUIZ, AI MEMES, CODATHON, PROMPT HUNT, PY IT, AWESOME SURAT, CYBER SPY, LOGO HUNT, WEB WAVE, and CODEBRIDGE. It also mentions 'Sponsored by' with logos for ez and codewinglet, and 'Presents' with a central graphic. The event is titled 'CONVERSE 2k25' and 'Co Sponsored by' Bhai Bhai (Entrepreneurship) and SKILLED. The dates 'Sept 19 & Sept 20' are prominently displayed. On the left, it lists the 'HEAD OF DEPARTMENT' Dr. Vivaksha Jariwala and 'FACULTY COORDINATORS' Prof. Nitya Suraj, Dr. Krishna Delvadia, Prof. Dhaval Rana, and Prof. Ashish Chaudhari. On the right, it lists 'STUDENT COORDINATORS' Utsav Vachhani, Harshil Gajipara, Shruti Kakadiya, and Suhani Padmani.

Inauguration of Converse 2025:

The inauguration of Converse 2025 under the banner of Kshitij was held on 19th September, 2025 in Information Technology Lab. It was enthusiastically attended by all faculty members of IT department along with energetic student conveners, volunteers and participants.

Events of Converse 2025

The Department of Information Technology organized Converse 2025 to celebrate the technical festival allowing students to present their innovative ideas, spread knowledge and showcase their talent. The event received phenomenal response from all student participants which made the event a successful one. Converse 2025 showcased a diverse range of 10 engaging activities, each designed to highlight various domains of IT.

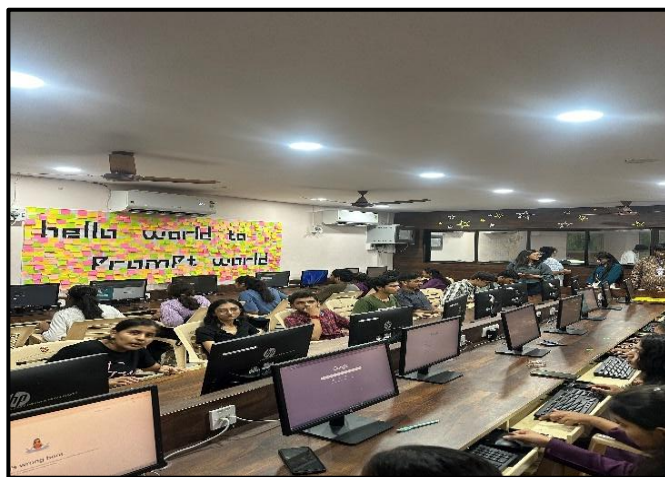

- **Cyber Spy** – Quiz and Solution Design for Cyber Security Threats
- **Codathon** – C/C++ Programming Competition
- **PY IT** – Practice Your Interview Test

- **IT & AI Quiz** – Online Quiz of technical topics of IT and AI related fields.
- **Logo Hunt** – Identify the given logo of well-known industries and brands.
- **AI Memes:** Memes Creation using AI
- **Bug Buzz:** Finding and fixing of bugs in Software Programs
- **Prompt Hunt** : Find Perfect Prompt for input text content and images
- **Web Wave:** Website Designing and Demonstration The
- **Code Bridge** : Competitive coding test conducted by Code Winglet Pvt. Ltd.

The details of all mentioned events are as below:

Cyber Spy:

The **Cyber Spy** event was conducted in two rounds, testing students' skills in **cybersecurity and open-source intelligence (OSINT)**. Round 1, held on 19th September 2025 at IT Lab – 1 & 2, was a **20-minute MCQ-based Cyber Quiz** covering topics such as networking, cybersecurity basics, malware, cyber laws, and tools awareness. Top scorers advanced to Round 2, which took place on 20th September 2025 at IT Lab – 4 & 5. In this **1-hour OSINT Warrior Challenge**, participants solved real-world digital mysteries using tools for website searches, file and image analysis, social media tracing, and location clue detection. A total of **145 participants** showcased their investigative skills. The event was successfully coordinated under the guidance of **Faculty Coordinators – Prof. Ashish Kharwar and Prof. Ankit Kharwar**.

Codathon:

The **Coding Competition** was conducted on 19th September 2024 at IT Lab – 1, 2, 3 with a duration of 60 minutes and a single round format. Students participated in teams and were challenged to solve a problem statement using **C/C++ programming skills** within the given time. A total of **60 teams (120 participants)** showcased their coding abilities, and in case of a tie, **code complexity and readability** were considered as the deciding factors. The event was successfully coordinated under the guidance of **Faculty Coordinators – Prof. Hiren Vavaiya and Prof. Ankit Patel**.

PY-IT (Practice Your Interview Techniques):

The **PY-IT** event, held on 19th–20th September 2025, featured three rounds testing **aptitude, AI resume building, and mock interview skills**. A total of **130 participants** showcased their talent across logic quizzes, creative resume design, and interview performance. The event was successfully coordinated by **Dr. Vivaksha Jariwala and Prof. Mukesh Patel**.

IT & AI Quiz:

The **IT & AI Quiz** was conducted on 19th September 2025 at IT Lab – 1, 2, and 3. The event featured a **30-minute multiple-choice quiz** with 50 questions covering topics from **Computer Basics, Programming, Artificial Intelligence, Emerging Technologies, and AI Applications**. The winners were decided based on accuracy, and in case of a tie, completion time was considered. A total of **301 participants** joined the event and it was successfully coordinated by **Dr. Mita Parikh, Prof. Tushar Gohil, and Prof. Apurva Bharat Mandalaywala**.

Logo Hunt:

The **Logo Hunt** event was held on 19th September 2025 at IT Lab – 1, 2, K201, J202, J201. Participants took part individually in a **logo recognition challenge**, where they identified logos of brands, companies, and products within the time limit. The event tested **speed, accuracy, and memory skills**, with evaluation based on correct and timely responses. A total of **368 participants** joined the event, which was coordinated by **Prof. Bhumika Patel and Prof. Palak Desai**.

AI Memes:

The **AI Memes** event was held on 20th September 2025 at IT Lab – 1, 2, and 3, featuring two creative rounds. In Round 1, participants designed AI-generated memes on a surprise theme within 30 minutes, while in Round 2, they enhanced their creations with improved visuals, humor, and animations in 45 minutes. A total of **199 participants** showcased their creativity and wit, making the event both engaging and entertaining. The event was coordinated by **Dr. Dhruti Sharma and Prof. Snehal Kathale**.

Bug Buzz:

The **Bug Buzz** event was held on 20th September 2025 at IT Lab – 1, 2, and 4, consisting of two debugging rounds of **20 minutes each**. Participants were challenged to identify and fix errors in C language code, with difficulty increasing in the second round. A total of **207 participants** showcased their speed and accuracy in debugging. The event was coordinated by **Prof. Mitul Patel and Prof. Dhyani Joshi**.

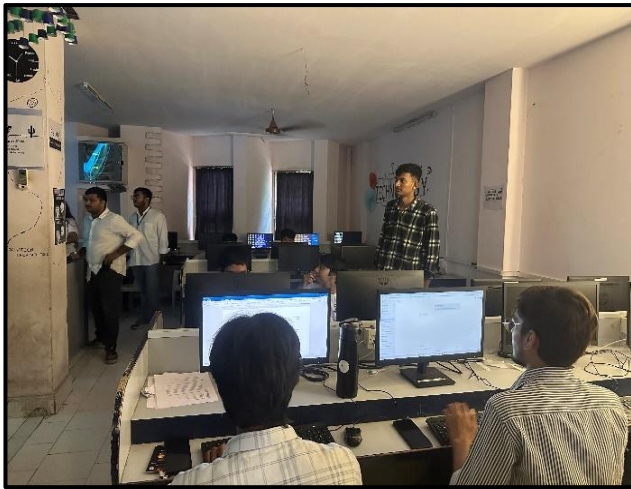

Prompt Hunt:

The **Prompt Hunt** event was held on 19th–20th September 2025 at IT Lab – 1 and 2, featuring two rounds where participants tested their ability to **reverse-engineer AI outputs**. Round 1 focused on identifying the correct prompts for AI-generated text or code, while Round 2 involved generating or matching prompts for AI-created images. A total of **248 participants** showcased their AI reasoning and prompt-guessing skills. The event was coordinated by **Dr. Mitali Desai, Prof. Krishma Desai, and Dr. Vibha Patel**.

Web Wave:

The **Web Wave** event was held on 20th September 2025 at IT Lab – 4 and 5, featuring a **30-minute web design challenge**. Participants showcased their skills in **UI/UX design, layout, creativity, and responsiveness**, creating a web page based on a given theme using allowed AI tools. A total of **170 participants** took part in the event, which was coordinated by **Prof. Vivek Champaneria and Prof. Mitul Patel**.

Code Bridge:

The **CodeBridge: Test to Placement** event was held on 19th September 2025, featuring two rounds: a **45-minute debugging round in C** and a **1.5-hour coding challenge** in any language. Participants tested their skills in **debugging, problem-solving, and code optimization**, with winners determined by cumulative scores. A total of **150 participants** took part, and the event assessed **accuracy, efficiency, and complete test case coverage**.

Participation Details:

Event Name	No. of Participants
Cyber Spy	145
Codathon	120
PY-IT	130
IT & AI Quiz	301
Logo Hunt	368
AI Memes	199
Bug Buzz	207
Prompt Hunt	248
Web Wave	170
Code Bridge	150
Total	2038

Event wise winner list:

Event Name	Winner list (First price, Second prize, Third prize)
Cyber Spy	1) Shruti Desai (IT-Year-IV) 2) Vishwa Gohil (AI-Year-III) 3) Sujal Thakkar (IT-Year-IV)
Codathon	1) Rahul Soni (IT-Year-IV) and Shruti Desai (IT-Year-IV) 2) Krishna Shetha (AI-Year-III) and Het Salmavala (AI-Year-III) 3) Sanchi Savani (AI-Year-III) and Rishi Ginoya (IT-Year-III)
PY-IT	1) Shruti Desai (IT-Year-IV) 2) Mangalya Desai (CO-Year-III) 3) Rishi Ginoya (IT-Year-III) and Drashti patel (CO-Year-I)
IT & AI Quiz	1) Kevin Valiya (IT-Year-IV) 2) Vijay Kalsariya (IT-Year-III) 3) Manav Patel (AI-Year-III)
Logo Hunt	1) Vraj Keraliya (IT-Year-I) 2) Vyoma Kapadia (AI-Year-IV) 3) Akshat Patel (IT-Year-IV)
AI Memes	1) Smit Vaghani (IT-Year-IV) 2) Jay Shah (IT-Year-I) 3) Dhvani Athviya (IT-Year-II)
Bug Buzz	1) Vyoma Kapadia (AI-Year-IV) 2) Kunj Desai (AI-Year-IV) 3) Jeel Mania (IT-Year-IV)
Prompt Hunt	1) Jeel Rupani (IT-Year-IV) 2) Rishi Giroya (IT-Year-III)

	3) Sujal Thakkar (IT-Year-IV)
Web Wave	1) Kishan Rana (IT-Year-III) 2) Ayesha Solanki (IT-Year-II) 3) Hitakshi Dholakiya (IT-Year-IV)
Code Bridge	1) Jeel Maniya (IT-Year-IV) 2) Jenil Rangani (IT-Year-IV) 3) Kunj Desai (AI-Year-IV)

Prize Distribution/Valedictory Function:

The valedictory ceremony was held at the Architecture Seminar Hall wherein prizes and certificates were awarded to winners, participants and volunteers. The snapshots of prize distribution are given below.

Acknowledgement:

We would like to thank **SES and SCET management** for providing the infrastructure and support for conducting the event. We thank our Principal, **Dr. Hiren Patel**, for motivating us in organizing **Converse 2025**. We heartily thank **SAWC** for providing the fund to conduct the event. We would like to thank **Dr. Vivaksha Jariwala, Head of Department**, for her support and guidance in conducting Converse 2025. We thank all the **faculty members** who gave their full support in all the events, and we are also thankful to the **non-teaching faculty** for their assistance during the events.

Special thanks to the **entire team of student coordinators and volunteers**, especially **Utsav Vachhani, Harshil Gajipara, Suhani Padmani, and Shruti Kakadiya**, for their dedicated efforts towards making Converse 2025 a grand success. Finally, we thank all the **participants**, without whom the event could not have been conducted.
