Report on
Parents' Meeting for
B.Tech. I - IT and AI&DS

The parents' meeting for the B.Tech. I Year, Semester II (Div-A, B, C) students of the IT and AI-DS departments was held on 01/02/2025 at J-102. The session commenced at 9:15 AM with the gathering of parents and faculty members. The meeting aimed to discuss various academic and extracurricular agendas essential for the holistic development of the students.

The agenda of the meeting included:

- Student Attendance and Lecture Regularity
- Examination Rules and Regulations
- 100-Point Activity

The Head of the Department, Prof. (Dr.) Vivaksha Jariwala, welcomed the parents and introduced the faculty members present in the meeting. She provided information regarding the college's code of conduct for students, various events organized at the college, and emphasized the holistic development of students.

Additionally, the examination guidelines were thoroughly explained, including eligibility criteria, detention rules, attendance requirements, and expected discipline during exams. Faculty members also addressed parents' queries regarding examination patterns, evaluation methods, and the weightage of internal assessments.

Faculty members emphasized the importance of regular lecture attendance in achieving academic success. They highlighted that consistent attendance enhances students' understanding of concepts and plays a vital role in their internal assessments and overall examination performance. Parents were encouraged to support their children in maintaining consistent attendance.

The concept of the 100-Point Activity was introduced to the parents. It was conveyed that students must secure 100 points during their graduation period to be eligible for a Bachelor's degree. Parents were also introduced to the EasyEdmin portal, through which they can check their ward's attendance and academic results.

The meeting concluded with an engaging discussion between parents and faculty, fostering stronger communication and collaboration. Parents expressed their appreciation for the department's proactive approach in supporting students' academic and professional journeys, acknowledging the collective efforts to enhance their children's growth and overall development.

Attendance (IT):
