

SARVAJANIK UNIVERSITY

**SARVAJANIK COLLEGE OF ENGINEERING
AND TECHNOLOGY**

**A Report on
CONVERSE 2023**

(29th - 30th September 2023)

Organized by

**Department of Information technology and
Artificial Intelligence & Data science**

Under the banner of

Converse 2023

SCET organizes the technical festival ‘Kshitij – Anant Gyan Ki Talash Mein’ annually since 2002. This technical festival is conducted for the young brains to boost their technical knowledge and showcase their innovative and creative skills.

Faculty Coordinators:

Dr. Dhruvi Sharma
Prof. Bhumika Patel
Dr. Ankit Kharwar
Prof. Shivani Patel

Student Coordinators:

Bhagya Patel
Jinal Bavadiya
Neel Katrodiya
Pratham Patel
Ravi Savaliya
Vaishnavi Patel

Inauguration of Converse 2023

The inauguration of Converse 2023 was held on 29th September, 2023 at the Information Technology Lab in the presence of Head of the Department Dr. Vivaksha Jariwala, Converse Faculty coordinators Dr. Dhruti Sharma, Prof. Bhumika Patel, Dr. Ankit Kharwar, Prof. Shivani Patel and all faculty members and students of IT and AI-DS departments with great enthusiasm.

The event received phenomenal response from all the student participants which made the event a grand successful. This year, following categories of events were conducted in Converse under the banner of Kshitij 2023.

Technical Events are:

- **Codathon** – C/C++ Programming Competition.
- **Bug Buzz** – Bug finding competition.
- **PY IT** – Practice Your Interview Test.
- **IT Quiz** – Online Quiz of IT related MCQs
- **Logo Hunt** – Identify the given logo is of which company.
- **Mind spark** - Give your innovation ideas.
- **Rise to crescendo** - Find and create the query.

Non-Technical Events are:

- Filmy dhoom dhamaka
- The spy's eye
- Counter strikes
- Penalty shoot out
- Capture quest
- E-sport revolution
- Auction ka adda

Brief sketches of all the events are described below.

1. **Codathon:**

This was a coding competition in which students were given a particular problem that should be solved through their programming skills in C/C++. Students participated in group of 2 members. First team member started coding for the given problem statement for 30 minutes. After completing first half of the coding, next team member completed the coding in next 30 minutes. Complexity was taken depending upon completion of the task if both the teams at the same time.

The faculty heads for this event were Prof. Hiren Vavaiya, Prof. Ankit Patel and Prof. Karishma Desai. There was overall participation of 67 in this event.

2. BugBuzz:

Bug Buzz is a Software Testing competition which helps to strengthen the Testing and Debugging skills of a programmer. As per this event, programmer will be able to identify errors or bug in the given program and then they will try to optimize or refactor program to make it efficient.

The event was headed by Prof. Karuna Patel, Prof. Bhargavi Rani and Prof. Forum Patel. There was overall 84 participation in this event.

3. PY-IT: Practice Your Interview Techniques:

PY IT event was focused on sharpening the interview-giving skills of students. The event comprised of three rounds. It started with the online aptitude test in which the questions were based on quantitative aptitude, logical reasoning, data interpretation and general knowledge related to IT.

The second round was group discussion in which shortlisted students from first round were invited to showcase their presentation and leadership skills by expressing their view on a particular topic in a group. The final round was personal interview in which the qualified students from group discussion faced the direct interview with the interview panel of faculties, which gave them more confidence as and when they appear for interview in companies.

The faculty heads for this event were Dr. Vivaksha Jariwala, Prof. Apurva Mandalaywala and Prof. Mukesh Patel. There were total 83 entries for PY-IT.

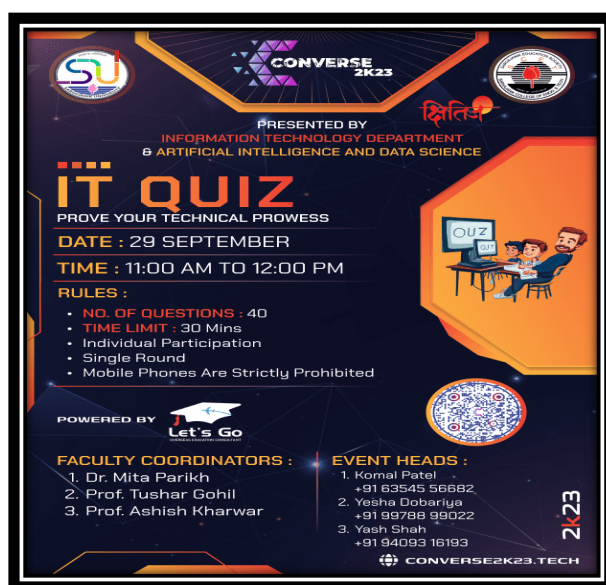

4. IT Quiz:

This was an online quiz competition in which multiple choice questions were given related to the field of Information Technology. The students got good opportunity to improve their knowledge related to IT field.

The faculty head for this event was Dr. Mita Parikh, Prof. Tushar Gohil and Prof. Ashish Kharwar. There were total 160 entries for IT Quiz.

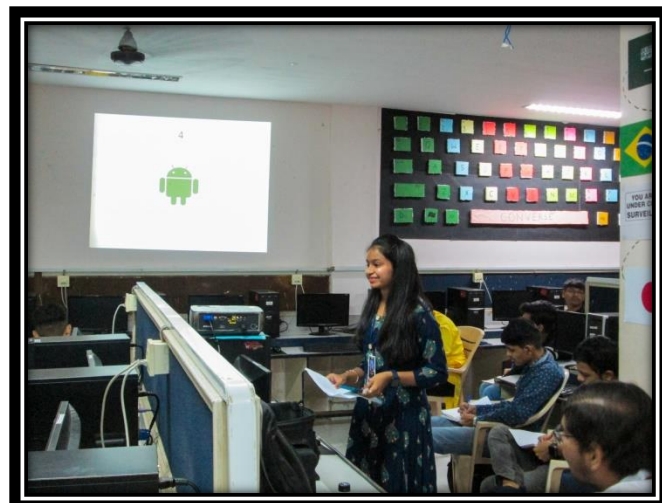

5. Logo Hunt:

Logo hunt is an event where you have to identify the maximum logos correctly in stipulated time. Around 30 logos were displayed on multimedia projector and student had to identify the logo and write down the name of the corresponding company.

The faculty heads for this event was Prof. Hiren Vavaiya and Prof. Ankit Patel. There was total of 154 entries for logo Hunt.

6. *Mind spark:*

Mind spark is an event where you give your innovative ideas. There are two rounds .For Round-1, participants have to give their basic idea in 1 minute. Selected participants will give presentation for Round-2.The faculty heads for this event was Prof. Palak Desai and Prof. Zalak Desai. There was total of 64 entries.

7. Rise to Crescendo:

Rise to Crescendo -Break The Query event is based on SQL queries. The event consists of two rounds. In the first round there are 30 MCQs related to the database system .The second round consists of 10 SQL based queries questions in which database tables are already provided and they have to solve SQL queries based on questions. In both the rounds there are 2 team members.

The faculty heads for this event was Prof. Dhyani Joshi and Prof. Juhi mehta. There was total of 50 entries.

Participation Details for Converse 2023:

Technical Event Name	No. of Participants
Codathon	67
PY-IT	83
IT Quiz	160
Logo Hunt	154
Bug Buzz	83
Mind Spark	50
Rise to Crescendo	41
Total	638

Non-Technical Event Name	No. of Participants
Penalty shootout	43
Counter strike	35
Capture quest	23 Groups
E-sports	16 Groups
Spy's Eye	11 Groups
Filmy dhoom dhamaka	38 Groups
Auction ka adda	48 Groups
Total	214

Prize Distribution/Valedictory Function:

The valedictory ceremony was held at NJ Seminar Hall on 30th September, 2023 wherein prizes and certificates were awarded to winners, participants and volunteers. The snapshots of prize distribution are given below.

Acknowledgement

We would like to thank Dr. Hiren Patel, Principal SCET, SU and SES management and SAWC, SCET for providing the infrastructure and support for conducting the event. We would like to thank Dr. Vivaksha Jariwala, Head of Department for her full support and guidance in conducting Converse 2023. Big thanks to all the faculty members of IT Department who gave their full support in all the events. We are also thankful to non-teaching faculty for their assistance during events.

Special thanks to all student coordinators and entire student team for their utmost efforts to make the event memorable. Finally, we thank all the participants without whom the event could not have been conducted.
